Mazal Tov to Kehillas Ohr Yerushalayim on the Chanukas HaBayis of their new Beis HaMedrash

Tikun Leil Shavuos

We are looking forward to an exciting programme of shiurim taking place in the Shul for Tikun Leil. The programme starts at 1.00am with Shacharis at 3.20am.

From 12.15am the shuir rooms will be open for people to come and learn b'chavrusa.

Refreshments will be available - we look forward to seeing you!

Last One Out - Please Turn Off The Lights

Now that we own our building (and paying the bills!), can we please ask anyone using the building during the day to ensure that when they leave, all lights are turned off and all doors closed - thank you!

OJ Beis HaMedrash Programme

The new Beis HaMedrash programme will be starting to learn Perek HaMafkid (Bova Metzia) from this coming Monday. R' Yehuda Pearlman will be giving an iyun shiur on Monday and Wednesday nights and a b'kius shiur on Tuesday and Thursday nights, from 8.15 - 9.00pm. There will be people learning b'chavrusa from 8.15 onwards every night in the main shul as part of the Beis HaMedrash programme, and we encourage everyone to come and join us.

Ladies Table Plan

With the move to the new Shul we would like to ensure that there are seats for those women who come to Shul regularly each Shabbos. Please let us know if you would like a seat on the plan for each Shabbos and contact Dena Stern 773 2456, denaandavi@gmail.com. There will be a separate seating plan made for Yomin Noraim.

Welcome to the Neighbourhood

The Building Committee

The Mishna in Rosh HaShana discusses the Arba'ah Roshei Shona, where we start counting various anniversaries - whether in Tishrei for counting the years, the different zmanim for produce, the years of a king's reign etc.

Shavuos also marks an anniversary - the time when we reaffirm our commitment to Torah. For our kehilla, Shavuos will forever mark a personal anniversary - the time we moved into our wonderful new Beis HaMedrash.

For those unable to join what appeared to be the entire town on Sunday, the Chanukas HaBayis was an awesome and emotional event for all involved. The simcha was palpable and the reaction

of the builders who joined us in the afternoon demonstrated a true Kiddush HaShem.

All speakers at the dinner gave our Kehilla brochos that we should continue to grow and make good use of the facilities we have available.

For two years, as a building committee, we have worked hard to build a true Mikdash Me'at, a building we can both be proud of, and use well. We now hand over to you, the Kehilla. Let's ensure that the Kol Torah is heard round the clock; that the Beis HaMedrash programme is well supported, and that we always remember that **this** Shavuos is the time we moved to another level!
